* **World Language** refers to all items that are in a language other than English or French.

Fines apply to the type of material borrowed, regardless of the borrower's age.

For example, a child would be charged \$0.35 per day for an overdue adult book.

To avoid late charges, check your due date slip each time you borrow material.

A **processing fee** is charged when a library item is lost.

This fee covers the library's cost to prepare a replacement title for the collection.
