Please note:

- There are no overdue fines on JE and J material (This applies to the material only. For example, if a child borrows a Teen (Y) or Adult item, overdue fines will apply if the item is returned late).
- Any JE or J items that are more than 21 days overdue will be declared LOST and the replacement cost and a processing fee will be charged.

Fines apply to the type of material borrowed, regardless of the borrower's age. For example, a child would be charged \$0.35 per day for an overdue adult book.

A processing fee is charged when a library item is lost. This fee covers the library's cost to prepare a replacement title for the collection.

"Multilingual" refers to all items that are in a language other than English or French.

Includes JE picture books, readers, chapter books, J fiction and Y fiction.

To avoid late charges, check your due date slip each time you borrow material.
